SEVEN FAITH DECLARATIONS OF A LEADER

Introduction: We need change the way we speak, not in style but in content, and to fill our words with a faith declaration, words that are true because God says they are true, words that shape our life into an unshakable life filled with the blessings and the favor of God. There are seven unshakable life declarations to live by in Psalms 27. Remember, God created the universe with words, "…then God said, 'let there be...' and it was so." God spoke the creative word and the result was the creation we see.

We also have the power to speak and to see things come into being, into reality. We are made in the image of God and God has given us the power of words. Words have creative power, power to do good or power to do harm, to destroy. We need to draw a line today and step over that line with how we will use our words from this day forward. This will be the greatest year of your life as you learn to make unshakable life declarations that will build a greater future. Let us fill our mouth with God words, faith words, words that will bless and build success. Let us determine today to be people who unite our hearts and mouths to declare by faith the Word of God and faith declarations.

I. THE POWER OF A FAITH DECLARATION

A. FAITH DECLARATION DEFINED

1. A faith declaration is made when we declare the absolute faithfulness of God's word

   God's word abides forever. God's word is true. God's word is supernatural. God's word is faithful.

   Hebrews 4:14 Seeing then that we have a great High Priest who has passed through the heavens, Jesus the Son of God, let us hold fast our confession.

   Luke 1:37 For with God nothing will be impossible.

2. A faith declaration is made when our heart and mouth agree together with truth

   Deuteronomy 30:14 But the word is very near you, in your mouth and in your heart, that you may do it. (Near you … word is within reach.)

   Matthew 12:34 Brood of vipers! How can you, being evil, speak good things? For out of the abundance of the heart the mouth speaks.
